

ASIS Middle Tennessee Chapter is a proud sponsor of charitable efforts that support the middle Tennessee community. We are proud to have the Andrew Jackson Fraternal Order of Police (FOP) Youth Camp and the David S. Hawtin, CPP Memorial Scholarship Fund as the benefactors from our charitable efforts. Our single charitable fundraising event benefitting our chosen charities is a golf tournament that occurs annually in May.

From 2017 - 2019, we raised more than \$40,000 for charity through the Annual ASIS Middle Tennessee Golf Tournament. This year we've raised our fundraising goal to \$30,000, and to achieve this lofty goal we need help from the business community – including your organization! Whether you play golf or not, you can help ASIS Chapter 52 raise money and awareness for these worthwhile charities that will directly benefit the Middle Tennessee Community.
